

ELKMONT EXCHANGE

BREWERY & EATING HOUSE

VERY BERRY CHERRY BOMB

American Fruited Sour

The base beer is brewed with pilsen malt, flaked barley, rye and raw wheat. It's fruited with hefty additions of cherry, blackberry, raspberry, blueberry and elderberry. This beer exhibits a wide range of fruit flavors and wine-like characteristics from aging in our French Oak Foeder for over a year. The bacteria and wild yeast yield a complex mouthfeel and loads of funk. Meant to be savored and enjoyed slowly.
